Unit 3 Transport

3a Choosing greener transport

Reading green transport

1 Read the article. What is the aim of the article?
Choose the correct option (a-c).
a) to give an opinion about transport
b) to argue for more public transport
c) to give information about a new type of transport

2 Read the article again. Are the sentences true (T) or false (F), according to the information in the article?

1 The author thinks walking is better than driving when you visit a city.
2 Renting bicycles from hotels and hostels can be very expensive.
3 The author thinks cities need to give more information to visitors.
4 Buses, trains and ferries are better for the environment than cars or aeroplanes.
5 Hotels have charging stations for electric cars.

Vocabulary transport nouns

3 Match words from A with words from B to make compound nouns for transport. Then complete sentences with the compound nouns.

A fuel public rush speed traffic
B hour jam limit transport costs

1 The traffic begins around eight and ends at around nine in my city.
2 There's a huge rush all the way from the city centre to the airport. No one is moving.
3 It's really expensive to have a car. Costs go up every year.
4 My city has excellent public transport. Buses are regular and the trains are on time.
5 Police are using cameras to catch anyone driving over the limit.
